SEWER AND WATER LATERALS

Did you know that YOU, as a homeowner, has a responsibility with maintaining the sewer and water systems?

Homeowners are required to maintain the laterals from their home. Maintaining the lateral includes keeping the lateral line flowing and free of debris such as roots, or grease.

Sewer backups can cause tremendous damage to the interior of a home. In order to minimize these, Delta City provides continual maintenance services for the public sewer mainlines. Unfortunately, laterals are often not maintained by private property owners until a disaster strikes. It is our hope that we can provide you various means of addressing these issues and thus minimize your risk of an overflow entering your home:

- 1-Maintain your lateral through proper cleaning, repair, and replacement
- 2-Do not place improper items into the sewer or make improper connections to the sewer
 - a. Keep rainwater out of the sewer lines as it overwhelms the capacity of the sewer lines and may cause sewer spills.
 - b. Do not pour fats, oils, and grease in your drains as these products harden and stick to the inside of the sewer pipes, which build up and may eventually cause a blockage in the sewer pipe.

Taking these simple steps can help keep the flow going, and prevent costly overflows and damage.

DID YOU KNOW...

The trash containers in the park have been provided for the use of park visitors to help keep the park clean. Residents should not use these containers for disposal of their household garbage. Personal garbage may be dropped off at any of Millard County's collection locations or home pick up can be arranged with through a local collection agency.

OFFICE CLOSURE

Delta City Offices will be **CLOSED** on Monday, October 10th in observance of Columbus Day. Payments can be left in the drop box or made online 24/7 at www.xpressbillpay.com

FALL CLEAN UP

The annual fall clean-up will be held November 4th & 5th. Items will need to be placed in the right of way to be picked up. We cannot take items that need to be certified Freon free or have disposal restrictions. Contact the City Office by noon on 11/3 for more information or to be placed on the list.

FIRE PREVENTION WEEK

OCTOBER 9-15. An open house will be held on the 12th from 6-8 at fire station. Join us for a bowl of chili and visit the bake sale, then use your kids as an excuse to ride on a fire truck...you know you want to.

COMMUNITY DISASTER TRAINING

The course is free and two sessions are available, October 5th and 13th. Both will be at the Community Center, 75 W Main from 6-8:30PM. Ages 10+ are invited to come and learn skills crucial to survival if there is a disaster in your home. Skills will include: disaster first aide, cribbing, sandbagging correctly and fire extinguishers.

LIBRARY NEWS

- Lego Club 10/4 from 3:15-4:15
- Closed Columbus Day 10/10
- Meet a Fireman 10/12 at 10AM
- Book Group 10/20 at 7:30PM

FIRE STATION UPDATE

Due to a delay in roofing material the project is a couple of weeks behind schedule. Interior walls are going up and progress is being made on the exterior along with site improvements. Completion is slated for February 2017. The old fire station will be used for storage of equipment and holiday décor.
