## URGENT NOTICE

Regardless of print on the packaging, any type of baby wipes, personal wipes, sanitary wipes, cleaning wipes, furniture polish wipes **should not be flushed.**

Last month Delta City cleaned out several major backups directly related to the use of personal wipes. These problems are costly and could result in increased rates, not to mention potential health risks. Please, please, PLEASE, DO NOT flush personal wipes, they do not break down in our system and should not be flushed.

## WINTER WEATHER REMINDERS

- To allow for snow removal, parking is NOT allowed on the City streets or paved right-of-ways November 1<sup>st</sup> through March 31<sup>st</sup>.
- During cold weather it's important to keep pets fed and warm. We have had an increase of pets running at large, possibly seeking food and/or shelter.
- Don't forget that when you clear snow from drives and walks that it needs to remain on your property.
- Please remember that snow plow drivers have feelings too.
