## BACK TO SCHOOL SAFETY

As summer draws to a close, back-to-school season is in full effect. Remember, in your rush for freedom, to safely share the roads with school buses, pedestrians and bicyclists, and provide children with the necessary knowledge to stay safe at school.

Whether children walk, ride their bicycle or take the bus to school, it is extremely important that they - and the motorists around them - take proper safety precautions. For more information on keeping kids safe, visit [www.nsc.org/learn/pages/keep-childrensafe-at-school.aspx](http://www.nsc.org/learn/pages/keep-childrensafe-at-school.aspx)

## NEIGHBOR ETTIQUETE

Delta is a wonderful place to live and we would like to keep it that way. Lately we have had an influx of neighbor complaints and thought we would share a few helpful things we found on [www.pinterest.com](http://www.pinterest.com)

**-Be respectful of your neighbors.** Don't be *that* guy. Clean up after your dog *and* keep him leashed when out walking. Be aware of any disturbing noise levels that you are creating. Maintain your property and respect property boundaries.

**-Address concerns or issues directly with your neighbor.** Don't let a problem fester and escalate. And, don't immediately call to report a problem to the city without first trying to work it out with your neighbor directly.

**-Drive like your kids live here...because they do!** I have become one of those people who yells, "slow down!" whenever a car speeds down our street, which means I've become my parents. But I get it now that I have kids. We all like to live in vibrant, bustling neighborhoods, but this means people, especially kids, need to feel safe when walking or biking around.

**-Let your neighbors know when you will be out of town and ask them to contact you or the police if anything is suspicious.** You don't need a formalized neighborhood watch program to keep the neighborhood safe. My next-door neighbor had a break-in stopped by a helpful neighbor who knew she was traveling. If you ask your neighbors, they will likely ask you in turn, which helps to keep the neighborhood safe for everyone. <http://www.denverdweller.com/31-ways-to-build-community-in-your-neighborhood/>
