AIRPORT PROJECT

Delta Municipal Airport is temporarily closed for reconstruction of the runway & a taxiway. It is anticipated it will re-open mid-October. PLEASE do not attempt to land your aircraft until the airport re-opens...you'd think it goes without saying, but we've been surprised before.

FALL CLEAN UP

Don't get too excited yet, fall clean-up is usually in November. Information will be available next month

FIRE PREVENTION WEEK

Fire prevention week will be October 6-12. Watch for information on this years open house in next months newsletter.

WATER CONSERVATION

If your sprinkling system has a water budgeting option, now is the time to start using it! You can also reduce water use manually.

BUILDING PROJECTS

We cannot emphasize enough, if you haven't applied, received signatures and paid for a permit for your project, you shouldn't start on it. It could turn out to be very costly and time consuming. Once you have submitted all the necessary information and paid the deposit, please plan on a 2-week turnaround time.

LANDLORDS

If you rent out property with Delta City utility services and have not filed paperwork with our billing department, please do so as soon as possible.

DID YOU KNOW...

Smile, you are on camera! We can't decide if people know we have cameras and are trying to shock us or if they don't know and are just really, um, bold in public. Regardless, to protect tax payer property, the City has cameras on its facilities, so if you don't want us to see it, don't do it.
