19 Mayor Bunker called the public hearing to order at 6:30 p.m. He stated that notice of the time, place, and
20 the agenda of the meeting had been posted at the City Building, on the City website, on the Utah Public
21 Notice website and had been provided to the Millard County Chronicle-Progress and to each member of
22 the City Council at least two days prior to the meeting.

23 Mayor Bunker stated that the purpose of holding this public hearing was to discuss making application to
24 the Permanent Community Impact Fund Board (PCIFB) for the City's proposed wastewater project. Mayor
25 Bunker added that the topics to be discussed were the funding options, project scope, implementation,
26 schedule, and the effects on residents. Public Works Director Kirkland explained some of the sewer line
27 problems that he would like to have fixed. Public Works Director Kirkland explained why he would prefer
28 to line the problematic pipes rather than replace them. Further, Public Works Director Kirkland informed
29 the Council that lining the sewer lines would cost approximately \$45,000 to \$60,000 and the PCIFB would
30 likely treat it as 50% grant and 50% loan or match. Public Works Director Kirkland stated that a sewer
31 master plan would cost roughly the same. Public Works Director Kirkland explained what the sewer
32 master plan entailed. Council Member Niles asked if the City would be able to match the costs and
33 Recorder Schafer confirmed that there was money in the City's Sewer Capital Reserve that could be used
34 toward it.
