SEASONAL REMINDERS

-Please don't run over your meter with your lawn mower. Repairs can be costly and are charged to your utility account.

-DO NOT turn your water meter on or off. If you need changes to meter status, please contact the City.

LIBRARY HAPPENINGS

Until further notice, Delta City Library will be closed to the public. There will be no overdue fines on materials checked out during this time. Our book drop will be open, and our staff will be offering curbside assistance Monday through Friday 10AM-5PM.

XPRESSBILLPAY

Delta City contracts with www.xpressbillpay.com to offer customers the ability to pay their accounts by credit card or echeck. They also offer the services of auto pay, email notifications and past bill look up. It is easy and convenient. Please note, whether you choose to use XBP services or not, it is still your responsibility to make sure your account gets paid. For best results, make sure your email settings allow notices from xpressbillpay and that the scheduled payment clears your bank account. Delta City and XBP cannot be responsible for bank issues such as unapproved transactions. We also can not be responsible for your choice of 3rd party couriers.

We love seeing all of our shirts in the wild! If you missed out, we will have some available. Stop by the office to purchase for \$5/\$8.

GOING BACK TO SCHOOL!?!

Whether children walk, ride their bicycle or take the bus to school, it is extremely important that they - and the motorists around them - take proper safety precautions. For more information on keeping kids safe, visit www.nsc.org/learn/pages/keep-childrensafe-at-school.aspx

CLEAN UP

Fall cleanup is usually the first week in November. Spring and fall cleanup have been exceeding resources. We may have to impose restrictions this year. If you have the ability to remove your own items, please do so. This will help keep the service available to those who cannot.

Regardless of the print on the package

PLEASE DO NOT FLUSH ANY TYPE OF DISPOSABLE WIPES

Did you know...

This July we pumped 70 million gallons more than in January. That's a lot of water used in a desert for yards. Are you doing your part to conserve?
