CLEAN UP

Fall cleanup is usually the first week in November. In recent years both spring and fall cleanup have been exceeding resources; meaning we may have to impose restrictions or qualifiers. If you have the ability and/or resources to remove your own items, please do so. This will help keep the service available to those who cannot and our City looking great. Thank you!

FIRE PREVENTION WEEK

Fire prevention week will be October 4-10. Watch for details in next month's newsletter.

WATER CONSERVATION

If your sprinkling system has a water budgeting option, now is the time to start using it! You can also reduce water use manually.
