PARK SERVICES

Please help us keep the park restrooms available by knowing where your kids are and what they are doing. Immediately report suspicious behavior and/or damage to the Millard County Sheriff.

Park Pavilions can be reserved by calling the City Office. Please note that water features, other than what we provide, damage the lawns and are not allowed. Per our insurance, for safety reasons bounce houses are expressly prohibited on City Property.

BUSINESS LICENSE

We've had several unlicensed businesses brought to our attention and spent the last several months including little reminders to become compliant. Once again, we are reminding you that any activity for economic gain within the Delta City limits requires a business license. Please contact the City Office for more information, before we have to contact you. Thank you!

ENJOY THE WARM WEATHER

School may be starting soon, but there are still plenty of ways to extend the summer fun:

Aug 5 – Concert in the Park

Aug 11-13 – County Fair

Aug 20 – Oak City Days

Aug 26 – Concert in the Park

Sept 5 – Leamarado Days

Sept 16-17 - Car Show

Sept 26 – Community Night Out

Just to name a few. Watch the local paper and websites for detailed information.

DID YOU KNOW...

It is very important to contact the City Office to obtain property setbacks and appropriate permits prior to constructing anything within City limits.

WATER CONSERVATION

We love green lawns, but we love staying hydrated even more. Please consider a voluntary cut-back on water usage so we don't have to impose restrictions later on. For water wise ideas, for both inside and outside water conservation, visit www.slowtheflow.org

AND THE SURVEY SAYS...

The majority of people had a great time on the 4th of July! Thank you to everyone who participated. We received great feedback and some very good suggestions to make next year even better.

NEIGHBOR ETTIQUETE

Delta is a wonderful place to live and we would like to keep it that way. Lately we have had an influx of neighbor complaints and thought we would share a few helpful things we found on the beloved site, www.pinterest.com

“Be respectful of your neighbors. Don't be *that* guy. Clean up after your dog *and* keep him leashed when out walking. Be aware of any disturbing noise levels that you are creating. Maintain your property and respect property boundaries.

Address concerns or issues directly with your neighbor. Don't let a problem fester and escalate. And, don't immediately call to report a problem to the city without first trying to work it out with your neighbor directly.

Drive like your kids live here...because they do! I have become one of those people who yells, “slow down!” whenever a car speeds down our street, which means I've become my parents. But, I get it now that I have kids. We all like to live in vibrant, bustling neighborhoods, but this means people, especially kids, need to feel safe when walking or biking around.”
