station, KNAK, and notice was personally delivered to each member of the governing body.

The Mayor stated the Public Hearing was for the purpose of receiving public comments regarding the proposed amendment to the zoning ordinance.

John Willie presented the amendment to the zoning ordinance, and explained that the amendment would not change the map, it would only make the ordinance easier to administer.

City Administrator Bishop pointed out that on zone change request the proposed ordinance specifies that if the Planning Commission does not submit a recommendation within 30 days it is considered a recommendation for approval. The Council advised Mr. Willie that they would prefer a recommendation for or against, or at least a report on how the Planning Commission voted for information and background.

Mr. Willie pointed out, that although, there is no immediate need for an agriculture zone the ordinance provides for one. The ordinance also has a mobile home zone.

Bill Garrett asked if a day-care center or a children's nursery would be allowed in a highway commercial zone. Mr. Willie stated that a conditional use permit could be obtained in either Central Business or Highway Commercial zoning.

City Attorney Warren Peterson presented a list of proposed changes. He and Mr. John Willie will have a meeting to discuss the proposed changes.

The Mayor adjourned the meeting at 8:04.
