Mayor Dafoe called the meeting to order at 7:00 p.m. Dorothy Jeffery, City Recorder, acted as secretary. Mayor Dafoe stated that notice of the meeting time, place and agenda was posted at the principal office of the governing body located at 76 North 200 West and was provided to the Millard County Chronicle/Progress, the local radio station, KNAK, and to each member of the City Council by personal delivery two days prior to the meeting.

Mayor Dafoe stated that the purpose of the Public Hearing was to receive public comment regarding potential Community Development Block Grant (CDBG) projects, specifically a Downtown Beautification Project.

Mayor Dafoe explained that it is the intent of Delta City to apply for CDBG funds to be used for engineering costs in developing a plan for a Downtown Beautification Project. He said that such a Downtown Beautification Project would consist of planting trees, putting flower planters and trash containers along Main Street in the downtown business area.

Mayor Dafoe asked for comments from those in attendance.

Ruth Hansen spoke in favor of a beautification project, and she recommended that residents begin beautifying the City by removing weeds on and around their own properties.

Linda Beard said that she has a group of women looking for a community service project, and she hoped they could be of service in a beautification project. Mayor Dafoe solicited her help for planting flowers in the City Park next Spring.
