Mayor Bunker called the public hearing to order at 6:45 p.m. He stated that notice of the public hearing time, place and agenda had been posted in the City Building and on the Utah Public Meeting Notice web site and had been provided to the Millard County Chronicle/Progress and to each member of the City Council at least two days prior to the meeting.

Mayor Bunker stated that the purpose of the public hearing was to receive public comment regarding adoption of the Water Conservation Plan for Delta City. The plan was discussed at a previous Council meeting, but we learned that it is necessary to have a public hearing and adopt the water conservation plan by resolution. Public Works Director Riding reviewed details of the conservation plan, including a description of our water system, historical usage and condition of the system.

Mayor Bunker opened the public hearing to comment from the public. There were no negative comments received.

Mayor Bunker declared the public hearing adjourned at 6:54 p.m.
