Mayor Bunker called the meeting to order at 6:00 p.m. He stated that notice of the meeting time, place and agenda had been posted at the City Building and provided to the Millard County Chronicle/Progress and to each member of the City Council at least two days prior to the meeting. City Recorder Gregory Schafer acted as secretary.

Mayor Bunker opened the meeting for exchange of information. There was discussion regarding a memorandum of understanding and by-laws for the community center / museum facility board.

Mayor Bunker reported that Millard County Commissioners will provide a letter of support and work with legislators whenever possible in support of requests for funding of the community center / museum facility.

Tillman Johnson asked where funding for the facility was being obtained. He was advised that each of the entities involved in the project will be making application for grants, working with state and federal legislators for any available funding and making application to foundations which have funding available for facilities of this type. Funding will come from many different sources. The facility will be used to house the Great Basin Museum, Topaz Museum, Daughters of Utah Pioneers Museum and a meeting / small convention facility. It is felt that tourism will be increased by

locating the three museums on Main Street where they will be in view of those passing through the area.

Mayor Bunker thanked everyone for their comments and declared the public information meeting closed at 6:30.p.m.

GAYLE BUNKER, Mayor

GREGORY JAY SCHAFFER, City Recorder
