President Bunker called the public hearing to order at 7:10 p.m. He stated that notice of the public hearing time, place and agenda had been posted at the City Building and on the Utah Public Notice website, and provided to the Millard County Chronicle/Progress and to each member of the Board of Trustees at least two days prior to the meeting.

President Bunker stated that the purpose of the public hearing was to receive public comment regarding the proposed issuance of lease revenue bonds and the potential economic impact on the private sector that the Delta Community Center being funded by the bonds may have. Mayor Bunker opened the public hearing to comment from the public.

There were no members of the public in attendance, therefore there was no comment from the public.

President Bunker noted that he had been watching the number of vehicles in front of the new Great Basin Museum on Main Street since the facility opened. When he went to the museum last week, there was a family of six from California at the museum. As he passed the museum about an hour later, the vehicle was still parked at the museum. It appears the museum is experiencing increased traffic as a result of relocating to Main Street.

President Bunker declared the public hearing adjourned at 7:20 p.m.
