BUSINESS

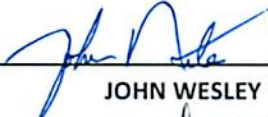

The Council Members met with some of the City Staff. Public Works Director Kirkland presented the Council with an organization chart and a job description for the Recorder position. The Council, Mayor, and those present reviewed the options including having a part-time or full-time Recorder and requirements for them. The possibility of no longer needing a Deputy Recorder was discussed. The wage scale was reviewed, but it was left open, based on experience. It was discussed that the Council cannot meet for every interview, so the Mayor can hold an interview, but the final decision would need to be approved by City Council. Council Member Killpack MOVED to approve the publishing of the job description posting as was presented. Council Member Bunker SECONDED the motion. Mayor Niles asked if there were any questions or comments regarding the motion. There being none, he called for a vote. The motion passed with Council Member Banks, Council Member Bunker, Council Member Chase, Council Member Killpack, and Council Member Western in favor.
